Mr. Rajinder Singh
Director

Chandermukhi Printers was set up in 1985, but it took many years to transform into a private limited company. The image of a Private Limited Company with more responsibilities and quality objectives has now been achieved. We believe that our commitment to our clients is paramount, since our print quality reflects the quality of our work. As part of our continuing mission, Chandermukhi Printers Pvt. Ltd. maintains a careful balance between the latest printing and design technologies, ensuring that we stay ahead of worldwide competition in the printing and packaging industry. Our team is composed of print and packaging experts and professionals that have been carefully selected and have never failed to deliver the best service. This gives us the drive and power to continue with our growth and development plans. One of the biggest advantages of our company is that we continue to offer a wide range of products in many industries while combining our unique core

technologies cultivated over many years to a high degree of competence. At every stage, our professionalism and personal touch enhance the chances of success. To fulfill the mission of being the customer's first choice, we strive to provide our customers with excellent service and quality products at competitive prices. We appreciate your support and look forward to your continued encouragement and support.

These sheets can be made in different color combinations and the price is also competitive as we offer the best price to the customers.

REGULAR SLOTTED CONTAINER :

These are the most cost-effective packaging that maximum suppliers prefer to style. In the RSC all four flaps have the same length and the outer two flaps have the same length so that they can easily meet in the center of the box.

FULL FLAP SLOTTED CONTAINER :

These containers are different from the regular slotted container. In the FFSC the outer flaps are not equal but they overlap each other. These containers ensure more safety and durability of the boxes.

DIE-CUT BOXES

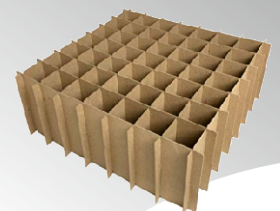

These are highly customized corrugate boxes designed to meet any shape, need, or size. This facilitates unique designs useful for shipping and displaying products.

PARTITION / DIVIDER

These containers are used for fragile items that can easily be broken i.e. glasses. These containers are made in a structure that does not combine the goods, products always remained separate in the box.

TAG

We produces high-quality, eye-catching tags in a variety of shapes, sizes, and materials. We offer customized high-quality tags that correspond to our customer's various needs. These goods are the most effective way to reach out to the target audience. This type of label is perfect for clothing items and tagging products in your store. They can be paired with price stickers and marked with varying sizes.

PAPER ENVELOPE

With a variety of colours available, our company offers the best quality envelopes. Bright coloured envelopes are a great way to reach the widest audience for promotion. We make envelopes according to our customer's specifications (including size and designing)

BROCHURES

Your business brochure should be eye-catching and serve your marketing objectives. Choose unlimited colors that complement your brand and highlight the accomplishments of your company to develop an eye-catching brochure that grabs the attention of the reader in the first instance and serves your marketing goals. Your brochures should be designed to educate your potential customers and create awareness of your brand. Make sure enough information is conveyed through the text and visuals for the consumers to make an informed choice.

CATALOGUES

A catalog is one of the most effective tools for promoting products and services. It serves as a significant tool for branding and marketing initiatives. It is the most general and ubiquitous way to introduce products and services. We print our catalogs on high-quality paper to ensure they are sturdy, durable marketing materials that won't tear or smudge over time. So get ready to produce the most creative and unique catalog designs with unmatched quality at unbeatable prices.
